No.G.114. Public Works Department,
Belgaum, 15th September 1944.

Subject:-Increased Travelling Allowance:
Grant of - to the Sub-Divisional
Officer, Bijapur South Sub-Division.

Consequent on the closure of the Bijapur Famine Works Sub-Division, some 40 incomplete well and other Village Water Supply works were transferred to the Bijapur South Sub-Division from the 1st January 1944 for execution. All these works are situated in out of the way villages for which special journeys are required to be performed.

2. The touring of the Sub-Divisional Officer, Bijapur South Sub-Division, has, therefore, considerably increased thereby entailing additional expenditure.

3. In view of the increase in touring and the additional expenditure required to be incurred, the Executive Engineer, Bijapur Dn., recommends, with which I agree, that the Sub-Divisional Officer, Bijapur South Sub-Dn., may be granted ordinary travelling allowance instead of P.T.A. as under:-

Period.	Limit.	Remarks.
From 1st January 1944 to 30th April 1944.	Rs.125/-	-
From 1st May 1944 to 28th February 1945.	" 162/8/-	This is based on the increase in the rates of

of mileages, Daily allowance etc. sanctioned in G.R.(F.D.) No.1922/33, dated the 11 th May 1944.

4. The present case is similar to the one dealt with in Government Letter No.3930/36-E, dated the 31st December 1943.

5. It is, therefore, requested th t Government's sanction to the proposal may kindly be obtained and communicated

The letter of the S.E.,S.C. is self explanatory. Ordinarily Asstt.or Dy.Engrs. in charge of Sub-dns. are entitled to a p.t.a. of Rs 75 p.m. only. In the circumstances stated by him, the S.E.,S.C's proposal may, however, be sanctioned in u.o. consultation with the F.D. It may be noted that ~~in similar circumstances~~ the S.D.O.,Ranebennur V.W.S.Sub-dn. was allowed a t.a. limited to Rs 125 p.m., vide G.R.No.3930/36, dated the 24-9-41. Recently too, Govt.has sanctioned a t.a.limited to Rs 125 p.m. in the case of Mr.R.D.Manajan,S.D.O.,Haveri Irrign.Sub-dn (vide G.L.No.3930/36-E,dated the 31-12-43 and the notes underlying it) in similar circumstances.

Copy of letter No.G-114/1, dated the 18th June 1946, from the Executive Engineer, Bijapur Division, addressed to the Superintending Engineer, S.C., Belgaum, regarding Increase in the rate of P.T.A. of the Executive Engineer, Bijapur Division and the Sub-Divisional Officer, Bijapur South Sub-Division.

" I have to enclose herewith a copy of letter No. 51/1 dated the 16th May 1946 from the Sub-Divisional Officer, Bijapur South Sub-Division, and to state that on account of the opening of the numerous scarcity works in the Bijapur Division, the payments to labour employed thereon are required to be made by the Sub-Divisional Officer every week. He is therefore required to visit every scarcity centre in his charge at least once in every week. In addition to the above he has to perform journeys for supervision of ordinary works in his charge and payments of muster rolls maintained.

2. Similar is the case with me also. I am also required to perform journeys frequently to visit scarcity works every month for inspection and giving instructions to the subordinates. In addition high officials are visiting the scarcity works and I shall have to be present on such occasions.

3. From the accompanying statement it will be seen that the amount of T.A. every month is nearly double the amount of P.T.A. during last three months.

4. It will therefore not be possible to perform so many journeys within the amount of present P.T.A. I would, therefore request you kindly to move Government to sanction an increase of 50% at least in the rates of existing P.T.A. i.e. Rs.300/- per month for the Executive Engineer, and Rs.175/- per month for the Sub-Divisional Officer with effect from 1st April 1946 to cope with the increased cost of touring till the scarcity works are in progress." .

(c) Bagewadi
(d) Huvin Hippargi.

II. Asangi tank,

having been placed under my charge, I am required to perform an additional journey of 250 miles monthly as I am required to visit all the aforesaid places every week for payment. Besides I am forced to spend about 20 days outside the headquarters looking after Korti Irrigation Works, Scarcity works and other normal routine works. In the circumstances, I have to request you to move the higher authorities to grant me 50% more P.T.A. from 1-4-46 upto the time scarcity works are closed down."
